

# 2025 AGM celebrates Years of Service Awards

Mambourin has a long-standing tradition of valuing dedication and commitment from both our participants and employees to making Mambourin the best it can be.

At the Annual General Meeting, held on 10 November we celebrated **Recognition of Years of Service Awards**, all recipients for their respective 10,15,20,25,30,40,50, and 55 years of service.

This night was a joyous occasion highlighting the talent that has been fostered throughout our Hubs with a 10-minute **Hip Hop Dance** presented by the Werribee team followed by a **Short Film video** created by the team at Sunshine and 11 minutes of **Tik Tok videos** produced by the MBS team. It was an enjoyable evening, and we congratulate all the staff, supported employees and participants for their continued and dedicated service. ✨
