

Our First-Ever Interhub Cooking Competition!

Our Term Holiday Program served up something extra special, the first-ever Mambourin Kitchen Rules Interhub Cooking Competition!

It was a day filled with teamwork, creativity, mouth-watering aromas, and plenty of friendly rivalry as each hub brought their best skills into the kitchen.

Every participating hub prepared two dishes: an entrée and a main meal. From sizzling pans to colourful chopping boards, the energy was high and the food even higher in quality! The judges had an incredibly difficult task, the competition was tight, with every hub showcasing impressive flavours, presentation, and teamwork.

After much deliberation, we are excited to announce that the first Mambourin Kitchen Rules Champion is...

Deer Park Hub

Their outstanding Veggie Spring Rolls and homemade Souvlaki stole the show. The team even made their bread completely from scratch, earning big points for creativity, technique, and taste.

Coming in a close second was Melton Hub, who delivered delicious dishes that impressed the judges and came very close to taking the top spot.

A huge congratulations to every hub that

joined the competition, your dishes were incredible, your teamwork inspiring, and your effort truly commendable. This was one of the tightest competitions we've ever had, and every participant should be extremely proud.

Thank you to all staff and participants who helped make the first Mambourin Kitchen Rules a huge success. We're already looking forward to next one, and to even more delicious creations! ✨
